Mrs. Constance Hammaker

School and Community

The village of Lake Placid sits in the heart of New York's beautiful Adirondack Mountains. Home to the 1932 and 1980 Winter Olympic Games, Lake Placid today remains a mecca for national and international athletic competitions. Tourism provides residents with year-round employment, and students with a diversity of influences rarely found in a small town

With approximately 200 high school students, LPHS is a small public school with an abundance of opportunities. Advanced Placement (AP) courses highlight a rigorous college preparatory curriculum, and programs in visual arts, music and performing arts continue to thrive. A required senior project provides a valuable capstone experience for all graduating seniors. Small class size allows for close productive relationships between students and teachers, and a majority of students participate in athletic programs, honor societies and community service clubs. Eighty-five percent of graduates move on to postsecondary education.

Graduation Requirements

All students must complete **22.5** credits of course work in the subject areas of English(4.5), History(4), Science(3), Mathematics(3), LOTE(1), Physical Education(2), Art/Music(1), Health(.5), Technology(.5) and Electives(2.5). Students are required to complete **40** hours of community service.

Marking System

A+	98-100	
A	93-97	
A-	90-92	
B+	88-89	<i>*Minimum Passing</i>
B	83-87	<i>Grade is 65</i>
B-	80-82	
C+	78-79	
C	73-77	
C-	70-72	
D	65-69	
F	0-64	

Class of 2020 Diplomas

Class Size	44

School Ranking & Course Offerings

COURSE LEVEL OFFERINGS

AP Courses

Biology, Environmental Science, English Language & Composition, English Literature & Composition, U.S. History, Statistics, Studio Art/3D Design Art, Physics

Dual Enrollment (BRIDGE) Courses

An opportunity to achieve college credit is provided to students through our partnership with North Country Community College (Saranac Lake, NY). These courses are comprised of English, Science, LOTE, Math, Social Science and Art subjects. Students achieve high school and college credit when enrolled in these courses.

GRADE AVERAGES/RANK

Cumulative Grade Averages

Weighted averages are calculated at the end of each school year and the seventh semester.

When a student repeats a course to raise a grade, the final mark reflects an average of both final grades.

Rank

Class rank is based on a *weighted* average, with each AP course receiving an additional five (5) percentage points. All diploma candidates are ranked, with the exception of transfer students, after the conclusion of the ninth grade first semester.

UNIQUE OPPORTUNITIES

PASS Programs

Pre-Vocational Alternative Student System offered in grades 9-12

CTE Programs

Career/Vocational training opportunities in Automotive Technology, Building Trades,

Cosmetology, Culinary Arts, Health Occupations and Natural Resource Science

New Vision Programs

College credit curriculum for students interested in the Healthcare field or Gaming & Coding field. An application process is required for these programs.
